## WHEN GOD'S PEOPLE PRAY... WOW!

Sharing the gospel  
with a man  
waiting in line  
for medical care.

We attended the Eastern Baptist Association meeting at Landmark Baptist Church, Anderson, IN. The meeting, which took place August 4th and 5th, was a blessing. We were able to reconnect with friends, meet some new friends, fellowship and study God's word. The members of Anderson did an outstanding job of hosting the meeting.

During the mission share time an update was given about plans for future Eyes On Christ trips. The body was informed that there were a few places we had been praying about for our next trip. The request was made for the body to pray with us for God's guidance and an open door.

When we arrived home there was an email from Brother James Taylor, Missionary to Africa! He requested a visit from an Eyes On Christ team sooner rather than later! What an immediate answer to prayer!

As a result we are planning a mission trip to Africa in the spring of 2010. We are so excited about what God is doing. As recorded in 1 Corinthians 16: 9 **"...a great door and effectual is opened unto me..."** We have stepped through the door. Won't you help us by supporting this trip financially. ## A LITTLE MORE THAN A MONTH

The count down continues as we prepare to travel to Romania and Moldova to minister to the people of these countries. The trip is scheduled for September 18-28, 2009. We are still raising funds to assist with the excess baggage fees we will incur this year. We will be taking 1500 pairs of glasses with us. Last year the cost per pair of glasses from the time they were donated until they reach the recipient was \$7.00. If you have or are considering donating used eye glasses, please consider making a donation to offset these costs.
