

EYES ON CHRIST

SEPTEMBER 09, 2008

IT'S ALL GOTTA GO

James 2: 15-16

"If a brother or sister be naked and destitute of daily food, and one of you say unto them, depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit"

In less than two weeks we will have everything packed up and on our way to Romania. We will be traveling September 19- September 29th. We will be taking seven hundred pairs of eye glasses and cases to replace the inventory we used last year, six hundred bottles of artificial tears and antibiotic drops donated by Allergan Pharmaceuticals, and safety glasses to pass out to workers in the ammunition factories. Add to that all of the equipment and personal items and we are quite a troupe going through the airport! Please pray for those who will be traveling, those families who are waiting at home for our return, but most importantly the lost who God will have us to reach through this mission trip. This year we were greatly blessed by many donations of glasses from all of you. We did not have to purchase extra glasses to take with us this year. Thank you for remembering to collect glasses for the ministry and for giving financially to make this trip possible. It is amazing the amount of "stuff" needed for a medical mission trip and that we pack and unpack it daily. Below are some pictures of some of our supplies being unpacked.
